

- 1. *Sales of perfumes less than one ounce have increased more than 16% in the last 2 years.
- 2. They are travel friendly
- 3. You get targeted application (focus on back of neck, Pulse points, etc.)
- 4. They are relatively inexpensive.
- 5. They are easy to layer.
- 6. They are pretty to look at! Cutesy!
- 7. Millennials, in particular, are increasingly eschewing signature scents for so-called 'fragrance wardrobes', which are large collections of scents that are rotated or combined to reflect one's mood or the day's activities. The preference for frequent scent rotation has driven growth in sales of rollerball and travel-size fragrances.
