## Clean & Fresh On The Go!

CleanVibes Dry Shower Gel uses absolutely no water; meaning it is ideal to optimise your water consumption. This isn't just good for your water bill, but great for the environment!

CleanVibes Dry Shower Gel does not conflict with the perfume you wear, it is lightly fragranced, which enhances the user experience but gradually fades away leaving behind a subtle note on the skin.

CleanVibes Dry Shower Gel is gentle on skin.

It contains moisturising extracts which prevent your skin from feeling dry or parched, thus there is no need to use body lotion thereafter.

CleanVibes Dry Shower Gel is almost as effective as taking a real shower. The cleaning effect is almost the same. It kills the bacteria that cause bad smells and body odors - leaving you smelling great and feeling fresh.

CleanVibes Dry Shower Gel is completely free from Alcohol and Parabens.

CleanVibes Dry Shower Gel also requires no use of a towel, all you need to feel Clean & Fresh is a bottle of CleanVibes.
